Here's an opportunity to drive some great roads with your buddies and to make new friends in one of the most beautiful settings in North America – Niagara Falls! The following is an outline of our itinerary –

- Thursday, 22 July – We will drive to Niagara Falls, planning on a late afternoon arrival.
- Friday, 23 July – We will meet with members of Niagara Falls Corvette Club and participate in their “Track Day”. Later, we may possibly visit the new Casino or go to a nice dinner.
- Saturday, 24 July – We will tour in the AM with Niagara Falls CC members for sight-seeing and some fun miles. Afternoon will allow some sight-seeing, shopping and a possible tour of the area wineries.
- Sunday, 25 July – We will attend the Niagara Falls CC All-car Show & Shine in the grounds of the Reif Estate and Winery. Mr. Reif is a member of that club. Our evening dining & entertainment will remain “to be determined”.
- Monday, 26 July – Drive back, departing in the morning, planning on a late afternoon/early evening arrival home.
