President's Message

NOVEMBER 2026

Dear NSCM Members,

November is here, and what an incredible Corvette season we have enjoyed! October was a fantastic month for our club, highlighted by our **Fall Foliage Cruise at the beautiful Fireside Inn**. The scenery was spectacular, the roads were perfect, and the fellowship was even better. A big thank you to everyone who attended and helped make this weekend such a memorable event. From the fall colors to the great meals and conversation, it truly showed what makes North Shore Corvettes such a special club.

We also had a great Halloween Party, continued our bowling league, and enjoyed another successful month of dinners and cruises. Thank you to all the event coordinators and volunteers who make these events possible. Your time and effort keep our club strong and fun for everyone.

As we head into November, we have several exciting events to look forward to. Our monthly social dinner, club meeting, and bowling league are all on the schedule. We will also be collecting **Toys for Tots donations at our November monthly meeting**, so please consider bringing a new, unwrapped toy to help support this wonderful cause. In addition, we will be honoring our veterans with our **Veterans Day Lunch at Applebee's**, a great opportunity to come together and show our appreciation for the men and women who have served our country.

Although the driving season is winding down, there are still opportunities to get out and enjoy some late fall cruises if the weather cooperates. Before we know it, we'll be into the holiday season, including our always special Christmas Party in December.

Thank you again to all our members for your continued support, participation, and friendship. It is your enthusiasm that keeps North Shore Corvettes of MA, Inc. one of the best Corvette clubs around.

Wishing you and your families a very Happy Thanksgiving. May you enjoy the holiday and all the good things in life. I look forward to seeing you at our upcoming events.

Best regards,

Frank Puccia

OCTOBER Recap

NORTH SHORE Corvettes Since 1963 Inc. MASSACHUSETTS

GREAT ROADS
GREAT FRIENDS
GREAT TIMES

October was a fantastic month for North Shore Corvettes! The cooler weather and beautiful fall colors made it the perfect time to get out and enjoy our cars and friends. We had a busy month filled with great events, good food, and lots of Corvette camaraderie.

October 6 – Monthly Social Dinner

We kicked off the month with a delicious dinner at Tremezzo Restaurant in Wilmington. Great food, great conversation, and a wonderful turnout made for a perfect evening.

October 7 – E-Board Meeting

The E-Board met at Prince Pizzeria in Saugus to discuss upcoming events and club business. Thanks to all who continue to keep the club moving forward!

October 11 – Swampscott Car Show

We had a great showing at the Swampscott Car Show! Our Corvettes drew a lot of attention and it was a beautiful day to show off our cars and represent North Shore Corvettes.

October 11 & 18 – Bowling League

Our Bowling League continued at Metro Bowl in Peabody with fun nights of candlepin bowling, laughter, friendly competition and good times were had by all.

October 14 – Monthly Meeting

Another excellent turnout at Prince Pizzeria in Saugus. We shared club updates, upcoming events, and great conversation. Thanks to everyone who attended and brought a dessert to share!

October 21 – Annual Halloween Party

A huge thank you to everyone who came out for our Annual Halloween Party at the Point of Pines Yacht Club in Revere! The costumes were amazing, the music was great, and the prizes made it a spooktacular night!

October 23 – 25 *Fall Foliage Cruise*

Our Fall Foliage Cruise was a huge success! We enjoyed beautiful fall scenery, great roads, wonderful meals, and even better company. A fantastic weekend filled with stunning views and unforgettable memories with our North Shore Corvette family!

Thank you to all our members who participated in our October events and continue to make North Shore Corvettes such a special club. We look forward to more great drives, events, and memories as we head into November!

NATIONAL CORVETTE MUSEUM REPORT

NOVEMBER 2026

submitted by Karen Blandini

Driven by Heart:

Celebrating Emma Haggie, One of the Youngest Donors in National Corvette Museum History

Thirteen-year-old Emma Haggie recently made a lasting impact on the National Corvette Museum by donating her 2020 Corvette Stingray. Emma, one of the youngest donors in Museum history, decided to give her beloved Corvette so it could be preserved, enjoyed by future generations, and used to support the Museum's mission.

Her incredible generosity and passion for Corvette exemplify the next generation of enthusiasts. Emma's story is a reminder that the love for Corvette has no age limit and that it truly is a family tradition

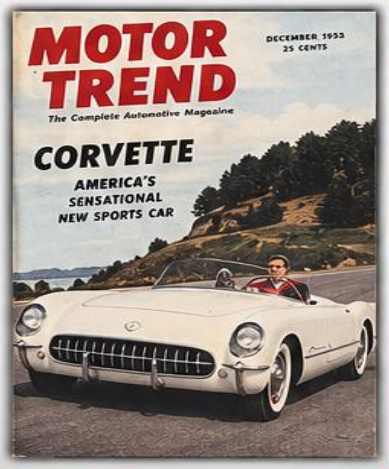

Emma Haggie with her 2020 Corvette Stingray

Motor Trend's December 1953 Issue and the Corvette's Early Survival

The December 1953 issue of Motor Trend played an important role in the early survival of the Corvette. At a time when the future of the new sports car was uncertain, the magazine featured the Corvette on its cover and provided a very positive review. The attention helped generate interest and excitement, giving the Corvette valuable exposure during a critical period.

That cover and article are now recognized as a significant moment in Corvette history, helping to build momentum for America's Sports Car.

Corvette and the Damsels of Design:

A Look Back at a Defining Chapter

In the 1950s and 1960s, General Motors featured a team of talented women known as the Damsels of Design. These trailblazing designers worked on color, trim, interiors and more, bringing style and innovation to the Corvette and other GM vehicles.

Their creativity and attention to detail helped shape the look and feel of early Corvettes, proving that great design comes from many different perspectives. The Damsels of Design were an important part of Corvette's history and continue to be recognized for their contributions to the legacy of America's Sports Car.

CORVETTE NEWS

LATEST NEWS, UPDATES AND HIGHLIGHTS FROM THE WORLD OF CORVETTE

2027 CORVETTE STINGRAY

MORE POWER, MORE REFINEMENT

The 2027 Corvette Stingray receives a major performance update with the all-new 6.7-liter LS6 V8. Output increases to 535 horsepower and 520 lb-ft of torque, making it the most powerful naturally aspirated Stingray to date. Chevrolet has also refined steering, traction control and chassis systems using lessons learned from the ZR1 and ZR1X.

535 HORSEPOWER

520 LB-FT OF TORQUE

2027 GRAND SPORT X

A PERFECT BLEND OF POWER AND CONTROL

The 2027 Grand Sport X pairs the LS6 V8 with a front-axle electric motor and all-wheel drive, delivering a combined 721 horsepower and 665 lb-ft of torque. Enhanced aerodynamics, wider track and performance suspension give the Grand Sport X incredible grip and everyday drivability.

2027 ORDERING UPDATE

General Motors is now accepting 2027 Corvette orders. Early production information lists 19 option constraints, so buyers should check with their Chevrolet dealer for current ordering details, availability and timing.

SERVICE NOTE

Some early 2027 Stingray and Grand Sport models with the LS6 have been reported with an oil leak addressed by GM service bulletin **PIP6132. This is a service bulletin, not a recall.** Owners should contact an authorized Chevrolet dealer if they see signs of an oil leak.

CORVETTE TECH TIP OF THE MONTH

WINTER STORAGE:
KEEP YOUR CORVETTE READY FOR SPRING

1 KEEP THE 12-VOLT BATTERY MAINTAINED

If the Corvette will sit for an extended period, use a quality battery maintainer that is compatible with the vehicle and follow the owner's manual instructions. Modern Corvettes have many electronic systems, so battery condition matters during storage.

2 CHECK TIRE PRESSURE BEFORE STORAGE

Inflate tires to the vehicle's recommended cold pressure and recheck before driving in spring. Proper tire pressure helps prevent flat spots and keeps your Corvette ready for the road.

3 GIVE IT A CLEAN, DRY HOME

Wash and thoroughly dry your Corvette before covering it. This helps prevent dirt, moisture and contaminants from damaging the finish. Use a breathable car cover and store the car indoors whenever possible.

4 SPRING START-UP

- Inspect for leaks (fluids or fuel).
- Check tire pressure again.
- Reconnect or verify the battery as appropriate.
- Look over the brakes, fluids and underbody.
- Take it easy on the first drive and listen for anything unusual.

CLUB TIP: ***Don't let a long winter nap turn into a spring battery surprise!***

CORVETTE

Always follow the specific maintenance and storage procedures in your Corvette Owner's Manual.
Tech Tip prepared for NSCM members — November 2026.
